Good day gentlemen, I hope this mail find you as well.

Today I'm going to talk about the difference between my generation and my Grandparents.

So in 70s my Grandparent use to live near to every place in their distract, also their lives was soo difficult because they had to do every thing by themselves for example, they had to walking to the school also they used to work after school for 8 or 9 hours in the so they could live. but there is something my grandparents told it to me that they had a lot of wonderful games in back there. I wish I was wish I was there so I can try it and enjoy my time but this is the you can't do every thing do you want.

At the end I wish you all the best.

Write a paragraph between 30-50 words. You should use the grammar and vocabulary you learned in Book 19.

- Write about the difference between your grandparents' generation and yours.

HI, I will talk about the deferent between the old generation and modern. Now every thing is change like the transportation, in our generation if we want to travel we have car or plane, but before they use camels and it took long time to arrive. We also have entertainment beater than before. Finally we live in good generation, we can travel, enjoy by the best restaurant and entertainment.

Today, I will talk about the difference between to generation. First generation for my grandparents. there was no cars or Tv like my generation. Also the education was poor. My generation is too good because we almost have everything. Like modern cars, modern plane. We have ez live its big different between my generation and them . I think if live in that generation I,LL be dead because is too boring and you don,t have a live to live it .
